## DEMOCRATS NOMINATE A FULL TICKET FOR COUNTY OFFICES.

Most Of The Nominations Were Unanimous--Only Real Discord Evident When Nomination For Representative Was On--Shellman Winner Over Lyons In Race For Jailer By Very Close Vote.

### THE TICKET.

For State Senator, R. W. Owen  
For Representative, E. H. Shellman  
For Judge, Henry DeH. Moorman  
For Attorney, Gus Brown  
For Clerk, W. F. Hook  
For Sheriff, Milt Miller  
For Jailer, Richard Shellman  
For Assessor, Horace Manning  
For School Supt., Joel H. Pile  
For Surveyor, Chas. D. Payne  
For Coroner, Lee Bishop

The above is the ticket named by the Democrats of Breckenridge county at the delegate convention at Hardinsburg Monday. The precinct conventions, to elect delegates to the county convention, were held last Saturday. There were between three and four hundred people present at the county convention and every precinct was represented.

A large part of the nominations were unanimous. The only discord was over the nomination of representative and the only close race was that between the two candidates for sheriff, it being necessary to make this nomination by a precinct vote.

The convention was called to order about 2 o'clock. Tnos. Moore was elected temporary chairman and Carl. Richardson temporary secretary.

S. H. McCracken, John Alexander and F. K. Rhodes were appointed a committee on organization and C. H. Drury, C. M. McGlothlin and Luther Marr a committee on credentials.

The committee on organization reported that the temporary organization be made the permanent organization.

On motion it was ordered that the nominations be made in the order in which they appear on the regular ballot.

The report on credentials was received and adopted.

W. K. Barnes moved that the convention proceed with the nominations.

Joseph Teaff put in nomination S. K. Vessels for representative. W. E. Minor seconded the motion. Jesse Whitworth put in nomination the Hon. D. C. Moorman and G. W. Dodson put in nomination Ed H. Shellman.

Mr. Vessels said that he did not want the nomination and would not accept it if nominated.

Mr. J. F. Jarboe was on his feet in an instant and said that the convention would take no excuse from Mr. Vessels, that he was the man to make the race and that there was no better man or better Democrat in the county, and no man who would get more votes among both Republicans and Democrats. He said further that D. C. Moorman was buying tobacco for the trust and that the Democrats did not want a man who was in any way connected with the trusts on their ticket. This brought down the house and it was clearly demonstrated that the convention did not want Mr. Moorman. Mr. Whitworth recognized the sentiment of the delegates and, with some spirit and feeling, withdrew Mr. Moorman's name.

Mr. Jarboe still insisted on Mr. Vessels being nominated, but Mr. Vessels said again that he did not want the nomination.

Mr. Barnes said that he was satisfied Mr. Vessels did not want the nomination and that he was not in favor of giving it to a man who did not want it. He then moved that Mr. Shellman be nominated by acclamation, which was done.

Byron Carl put in nomination the name of Henry DeH. Moorman for county judge. Judge Mercer seconded the motion, and Mr. Moorman's nomination was made unanimous.

Carl. Richardson put in nomination Gus Brown for county attorney and W. F. Hook was nominated for county clerk. These nominations met with no opposition.

Mr. Minor put in nomination Milt. Miller for sheriff, and Mr. Miller was nominated without opposition.

Richard Shellman was put in nomination for jailer by Carl. Richardson, Judge Mercer seconding the nomination. Pete Lyons was put in nomination by Mr. Minor, Jas. W. Miller seconding the nomination. The nomination for jailer was put to a vote, which resulted as follows:

Precinct	Lyons	Shellman
Hardinsburg No. 1	8	
Hardinsburg No. 2	4	
Hardinsburg No. 3	4

Horace Manning was nominated for assessor, Joel H. Pile for school superintendent, Chas. D. Payne for surveyor, and Lee Bishop for coroner, without opposition. Jas. W. Miller, in speaking of Mr. Pile, said that he is as pure as the water that falls from the heavens, and that he can catch more votes more ways than any man that ever made a race in the county.

Before the adjournment of the convention speeches were made by Gus Richardson and Gus Brown, who were called for. Mr. Richardson renewed his faith in the Democratic party and said that he was still in the fight, though slightly disfigured. Mr. Brown said that the ticket that had been named would be a winning ticket.

### MRS. HALL'S MIRACLE.

Experiences Similar to This Have Occasioned Considerable Comment in Cloverport.

Few women are better known in Rockport, N. Y., than Mrs. Pattie D. Hall, as she belongs to one of the best families and has a large circle of friends and acquaintances. In a recent interview Mrs. Hall said:

"The experience I have been through in the last two years seems like a miracle. I was so badly off that life seemed almost unendurable, and my deafness increased so that I could scarcely hear anything. The suffocation in my chest and the indigestion caused by my catarrh produced very severe suffering. I had five different physicians, bought everything that anybody recommended to me, but finally gave up in despair.

"One day my milliner asked me if I had ever tried Hyomei. I began the treatment, and can thankfully testify that Hyomei does cure this terrible disease. Since using it my hearing is greatly improved, and the only time I have any trouble is when I take cold. I then use Hyomei, and always get instant relief. My friends and acquaintances marvel at the change in my health and hearing."

Hyomei has made many cures of catarrh, and in connection with Hyomei balm, of catarrhal deafness, in Cloverport. Similar experiences to that of Mrs. Hall's have created a large sale for Hyomei with Short & Haynes.

The complete outfit, including the inhaler, costs but \$1., while extra bottles are but 50 cents. Ask Short & Haynes to show you the strong guarantee under which they sell Hyomei.

## TOBACCO GROWERS GET DOWN TO BUSINESS IN CONVENTION.

Committee Appointed To Make A Contract Similar To Daviess County Plan To Hold Tobacco For Better Prices--Greenville Resolutions Adopted--Other Steps Of Much Importance Are Taken.

Hardinsburg, Ky., April 4.—(Special.)—The Breckenridge County Dark Tobacco Growers' Association met here last Saturday. A large crowd of farmers were present and the meeting was more business like and accomplished more, than any that has heretofore been held. Delegates from nineteen local unions were in attendance. President G. S. Wilson, of McQuady, called the meeting to order at 10:30 o'clock in the forenoon. The minutes of the preceding meeting were read by the secretary, Joel H. Pile, and approved. The following committee on credentials were then appointed by the chair: Ed Oglesby, Matthew Shrewsbury and W. S. Ball who reported that nineteen unions out of the twenty-five in the county were properly represented by accredited delegates. After the report had been adopted, the same committee were continued as a committee on resolutions. While the committee was out preparing their report, Mr. Thomas J. Whitfill entertained the crowd with the singing of an original song, which enthused the delegates and elicited much applause.

Robert McGavock, of Hancock county, then addressed the convention in a well-timed speech. He opposed the plan of storing the tobacco in warehouses and securing money on it from the tobacco warehouse combine of Louisville. He favored the plan of borrowing the necessary money from the local banks and stated that the farmers had on deposit in the banks of Breckenridge county the sum of \$500,000. He strongly advised the farmers to continue to hold their tobacco, and said victory was just ahead. In closing he predicted a glowing future for the American Society of Equity. At the conclusion of Mr. McGavock's speech the meeting adjourned until 1 o'clock.

When the convention re-assembled in the afternoon the committee on resolutions announced that they were ready to report, and presented the following resolutions:

Whereas, it appears that some plan by which farmers who need financial assistance, can secure money on their tobacco, is necessary and demanded, in order to aid farmers to hold their tobacco and keep it off the market and prevent it going into the hands of the trust, and hold it in the hands and under the control of the farmer: therefore be it

Resolved, that a Finance Committee of three be appointed, to act for twelve months and they be instructed to act immediately and consult with the Louisville Tobacco Warehouse Company and parties who may submit bias to remanufacture, redry, grade, class, prize and do everything necessary to the proper handling of tobacco, and ascertain what is the best contract that can be made, and that they be absolutely empowered to make any contract with said Warehouse Company and rebidders that they may consider expedient and practicable and to the best interest of the farmers; it being understood that they will make a contract similar to that under which the tobacco is now being handled in Daviess county. And be it further

Resolved, That the resolutions adopted at the Greenville convention of Tobacco Growers of Dark Tobacco of Western Kentucky, providing for a reduction of acreage so that no farmer will plant, for permit to be planted on his farm, more than ten thousand hills per hand, it being understood that a hand is to be a man between the ages of 16 and 60, and a boy from 12 to 16 years of age to be regarded as a half hand, and be allowed 5,000 hills, and further, while the above is the basis, in no event will this county plant or be permitted to plant exceeding 75 per cent. of the average of the 1903 and 1904 crops of tobacco; and that we, the delegates in county convention assembled, pledge ourselves to use every means with and through our local unions to secure the adop-

tion and enforcement of the foregoing, by securing the signed agreement and otherwise of all members and non-members of our organization, to this end. And, if these means fail, that all local unions and members be instructed to use any and every other means that they may see fit to devise and adopt whereby this reduction will be more perfectly accomplished. And that each local union be held responsible for the proper enforcement of this plan, and that, in turn, each local union hold each and every farmer in its territory responsible for the same. And be it further

Resolved, That any farmer, whether he be a member of the tobacco growers' organization or not, who will premeditatedly take advantage of this reduction by the organization, and increase his crop, that he may profit by the efforts of this Society, and that he may be benefited at the expense of others and thereby defeat the objects of this organization: That he and all such be regarded as a scab, and treated as a scab, that he be regarded as a traitor and that he be treated as a traitor and an enemy to his neighbors in country, his family and himself, and that we do not and will not consider him or such as he, worthy of our confidence.

All of which is respectfully submitted, believing as we do, that, in order to successfully compete with this octopus in the form of a tobacco trust, we must refuse to sell and that we must reduce production, and then we will be in a position to dictate terms in the enemy's country, that will be highly satisfactory to us.

W. S. Ball, E. B. Oglesby, Committee, Matthew Shrewsbury.

Mr. Ball, of the committee, made a strong speech advocating the adoption of the resolutions without amendment. Matthew Shrewsbury also spoke for the report. John Hazlip, of Hite's Run, made a strong talk supporting the resolutions, and the question being put by the chair, they were declared adopted without a dissenting vote.

On motion of John P. Haswell, Jr., the financial committee provided for in the resolutions, was selected. It was composed of these well-known farmers: G. S. Wilson, E. B. Oglesby and Silas Miller.

Upon the suggestion of E. B. Oglesby, the plan to reduce the acreage of tobacco in the county was adopted. It is in the form of a contract, and is as follows:

We, the undersigned, in consideration of the benefits to be derived to us, by a curtailment of the dark tobacco crop for the year 1905, do pledge, agree and bind ourselves, not to plant or permit to be planted on lands which we own or control, a greater number of acres of dark tobacco than that indicated by the number set opposite our respective names in the column marked 1905. And we state that the numbers in the columns marked 1903 and 1904, set opposite our respective names, are the number of acres of tobacco cultivated in those years.

We and each of us do further agree and bind ourselves that in the event any of us shall violate this contract and agreement, then the tobacco raised by us, in excess of the amount herein agreed to be raised shall be forfeited to and become the property of those members of the American Society of Equity, who have signed and not violated this agreement and contract.

In testimony whereof witness our hands and seals.

Each local union will secure the signatures of those farmers residing within the territory of the unions.

The basis of representation in the county union was fixed at one delegate for every ten members or mayor fraction thereof. Upon motion of G. N. Taul the contracts as to the number of acres of tobacco to be raised, were ordered furnished to the unorganized portions of the county.

At the suggestion of Smith Waggoner, it was ordered that each local union should furnish the delegates to the county union credentials and also a complete statistical report of all crops in the territory covered by that union. G. S. Wilson, W. S. Ball, E. B. Oglesby and Smith Waggoner were authorized and appointed to organize local unions in the unorganized portions of the county.

The convention then adjourned to meet at this place on the first Saturday in July.
